Procurement Technical Assistance Centers

IMPACT 2011

In 1985, congress authorized the Procurement Technical Assistance Program (PTAP) in an effort to expand the number of businesses capable of participating in the government markets place.

The Montana PTAC has been part of the national network of ninety-three PTACs since 1993 and has won numerous awards for the quality of service provided to clients in Montana and personal service of MTPTAC staff to the national Association of Procurement Technical Assistance Centers. The PTAC is a group of dedicated procurement professional who help local businesses compete successfully in the government market place. Through their knowledge of government contracting and understanding of contractor capabilities, the PTAC bridges buyers and suppliers, thereby bringing best value solutions to our government, and money and jobs to Montanan.
